You Can Do Sport Ltd is devoted to developing sporting potential. Our mission is to make further education in sport accessible to all young people, regardless of background or starting point. We motivate and encourage others to achieve their own personal and professional fulfilment and enable them to make educated and informed decisions that are not limited by self-belief, opportunity or circumstance. Together, we believe that the best in each of us enriches all of us.

Our Multi-Sports Academy programme offers its students more choices in further education and allows them to remain on home ground. Through the programme, students will become more confident, respectful and considered young people who aim to set high standards within sports education, creating an aspirational pathway for others. For those with a love for the 'game', it will provide an outlet in which to develop their understanding and skill through enjoyment and achievement.

“I HAVE 25 YEARS’ WORKING WITH PLAYERS INCLUDING INTERNATIONALS LIKE HARRY KEWELL, JONATHAN WOODGATE, JERMAINE JENAS AND ANDY REID. I ALWAYS EMPHASISE THE IMPORTANCE OF COMBINING THEIR FOOTBALL WITH LEARNING.”

PAUL HART, ASSISTANT MANAGER LUTON TOWN.

WHY STUDY AT MAGNUS?

Magnus Post 16 gives you the opportunity to further your education and offers all the support and information you need to make the right choices for your future.

Magnus Academy has a highly successful programme delivering the BTEC Level 3 Diploma in Sport. Their sports students achieve excellent results year on year with a 100% pass rate in all elements, and an average grade of Distinction* (equivalent to A*).
